

Cheddar Flower Show

SUMMER CHALLENGE

Help us create a
Flower & Scarecrow Trail
around Cheddar

to celebrate summer and the joy of flowers
from Saturday 14th August to 28th August 2021

**Please make a scarecrow,
plant a pot,
or decorate your front
garden.**

Also

A Virtual Showcase

during August on the Cheddar
Flower Show Facebook Page.

Grow a
Giant Sunflower Competition
for families

Seeds and growing details are
available - see contact details
on the next page.

*Full details of the
Summer Challenge
are overleaf.*

An Alternative Cheddar Flower Show for 2021

Instead of our traditional indoor Flower Show the Cheddar Flower Show Committee is planning an outdoor fortnight of fun and flowers by making a Flower and Scarecrow Trail in Cheddar.

Please join in with one or more of these activities:

Make a Scarecrow - think of an outfit, a pose, a theme?

Plant pots, hanging baskets, containers, or flower beds.

Decorate your front garden with home-made flowers, pom-poms, garlands or bunting, or yarn-bombing...

All featured items must be in front gardens and visible from the pavement or gate, so no-one will go into the garden.

The Flower and Scarecrow Trail is from 14th to 28th August, when everyone's handiwork and green fingers can be admired by people following the Trail Map. It will not be judged, but every participating household will receive a small memento.

If you are taking part in the Summer Challenge, please tell us so we can compile the Trail Map (by 16th July at the latest).

Go to Cheddar Flower Show Facebook Page

(Click on the "Send message" button at the top of the Page)

Or email cheddar.flowershow@yahoo.com

(Please remember the dot!)

Follow the Facebook Page for Challenge hints and updates.

Virtual Showcase

During August the Facebook Page will be opened up so that people can post photos of anything they have made or grown, such as craft, cookery, flowers, or artwork - anything of which they are proud. No prizes, but plenty of admiration and compliments!
