

CHANGES TO BUS SERVICE 126

Starting 7 April 2026, all buses will run beyond Weston-super-Mare Interchange to and from the Rail Station. Buses towards Cheddar and Wells will pick up on the opposite side of the Interchange at stop E. There will be some changes to the timetable to improve punctuality and to provide better connections at the Helicopter Museum with buses to and from Weston General Hospital and Weston College (Loxton Campus). This new timetable will operate until 5 September 2026.
